2.2 User Generated Content

You may be able to submit, post, publish, display, or otherwise transmit content, material, or information to the Website or to other users or persons through or using the Website ("User Generated Content"). You are entirely responsible for all User Generated Content You submit, post, publish, display, or otherwise transmit on or through the Website. The Company is not responsible or legally liable to any third party for the content or accuracy of any User Generated Content submitted, posted, published, displayed, or otherwise transmitted on or through the Website by You or any other user of the Website. Any and all User Generated Content must comply with all applicable laws, regulations, and these Terms of Use.

User Generated Content may be removed, hidden, edited, or otherwise altered at the sole discretion of the Company for any or no reason, with or without notice, and at any time. However, the Company has no obligation, nor any responsibility to any party to monitor the Web-site or its use, and does not and cannot undertake to review User Generated Content. The Company cannot ensure prompt removal of objectionable material, including User Generated Content, and the Company has no liability for any action or inaction regarding transmissions, communications, or content, including User Generated Content, provided by any user of the Website or third-party, subject to applicable laws.

The discretion of the Company will be informed, but not limited by, the following guidelines for inappropriate User Generated Content. User Generated Content may be deemed inappropriate by the Company if it contains, depicts, includes, discusses, encourages, or involves, without limitation:

j. material or conduct that is illegal, exploitative, obscene, harmful, threatening, abusive, harassing, hateful, defamatory, sexually explicit or pornographic, violent, inflammatory, or discriminatory based on race, sex, religion, nationality, disability, sexual orientation, age, or other such legally prohibited ground;

k. any false, inaccurate, or misleading information, or the impersonation or attempted impersonation of the Company, an employee of the Company, another user of the Website, or any other person or entity;

l. conduct that restricts or inhibits anyone's use or enjoyment of the Website, or which, as determined by the Company in its sole discretion, may harm the Company or users of the Website, or expose either to liability;

m. cause annoyance, inconvenience, or needless anxiety or be likely to upset, embarrass, or alarm any other person; or

n. material or conduct that is otherwise objectionable, as determined by the Company at its sole discretion.

By submitting, posting, publishing, displaying, or otherwise transmitting any User Generated Content on or through the Website, You agree to grant the Company, its successors, and assigns, and the Company's affiliates and service providers as necessary, a worldwide, royalty free, perpetual, irrevocable, non-exclusive license to use, reproduce, modify, perform, display, distribute, copy, and otherwise disclose for any purpose any User Generated Content You submit, post, publish, display, or otherwise transmit on or through the Website. You waive all moral rights in any such User Generated Content.

2.3 Ordering and Purchases

You may be able to purchase products on the Website and Your purchase of any such goods will be governed by this subsection 2.3, subject to any additional terms relating to a particular product ("Additional Terms"), which will be made available to You at or before Your time of ordering and will prevail over these Terms of Use in the event of a conflict.

By selecting a product, quantity, colour, and/or any other features required to be selected by You, providing Your provided method of payment, and completing the steps required of You during the check-out process, You can place an order for a product on the Website. You may receive an email confirming that such order has been received by the Company, however: (a) any such order confirmation provided to You by the Company does not constitute an acceptance of Your order; and (b) the Company reserves the right, at its sole discretion, to accept or reject any order prior to shipment of that order. Without limiting the foregoing sentence, the Company may reject all or a portion of Your order because of the unavailability of the ordered product or products for purchase, errors in product pricing information, or a product recall for one or all of the products You ordered. Shipment and processing of payment for each product in Your order will constitute the Company's acceptance of that portion of Your order.

The Company does not represent or warrant that any products description, image, or other such content on the Website is accurate, complete, reliable, or current. If You deem that a product You purchased on the Website is not as described on the Website, Your sole recourse is to return that product to the Company for a refund. Please direct such return inquiries to info@soulnurturer.ca. To extent legally permissible, the only warranties and conditions provided to You with respect to any particular product are those warranties and conditions described on the Website.

By placing an order for a product or products on the Website, and specifically by confirming your order at the conclusion of the check-out process, You agree to pay the Company the total amount set-out at the time You confirm Your order. All prices quoted on the Website, including the prices for products and shipping, are in Canadian dollars unless otherwise explicitly stated. Your provided method of payment will be charged for Your order or for each product in Your order as each portion of Your order is accepted by the Company and shipped. The Company reserve the right to reject Your order where the price of an ordered product has changed or was misstated on the Website; You may be provided an opportunity to accept such price change and continue with Your order. All payments owed by You are due no more than 30 calendar days after Your receipt of the product and/or order and the Company reserves the right to charge interest on any amounts owed but not paid by You within such time at the lower of 1.5% or the maximum rate permitted by law.

All information provided by You to the Company during the check-out process must be truthful, accurate, and complete for the purposes for which such information was requested. By providing payment information to the Company, You represent and warrant that You are the authorized owner of such payment method.

The Company may use third-party carriers to ship and deliver the products You order and the Company is not responsible for any loss or damage to any such products after the Company has delivered the products to a third-party carrier. Products You order may be shipped in one or multiple packages. Shipping costs provided to You during the check-out process are estimates only and are realized by the Company at the time of shipping. You agree to pay all shipping costs unless otherwise stated by the Company at the time of Your order, including without limitation any increase in the price of shipping or any duties or other such taxes.

The Company will respect any certain legal rights You have with respect to Your order under applicable consumer protection laws.

3. INTELLECTUAL PROPERTY RIGHTS AND OWNERSHIP

t. take technical and legal steps to prevent You from accessing or using the Website; or

u. remove or otherwise modify any User Generated Content.

Any such termination or action by the Company shall be in addition to and without prejudice to such rights and remedies as may be available to the Company, including injunction and equitable remedies. Any terms of these Terms of Use which are necessary to give effect to the rights of the Company under these Terms of Use or that contemplate survival beyond termination shall survive, except to the extent not permitted by law.

5. INDEMNITY

To the maximum extent permitted by applicable law, You agree at all times to indemnify, defend, and hold harmless the Company, its agents, affiliates, partners, and its and their respective directors, officers, employees, agents, service providers, contractors, licensors, suppliers, successors, and assigns from and against any claims, actions, proceedings, demands, liabilities, damages, judgments, awards, losses, costs, expenses, or fees (including legal and other fees and disbursements) sustained, incurred, or paid by the Company, or arising out of or relating to Your breach of these Terms of Use or Your access or use of the Website, including without limitation any User Generated Content You submit, post, publish, display, or otherwise transmit on or through the Website, and Your access to, use, or misuse of the Website or any content on the Website.

6. LIMITATIONS ON LIABILITY AND DISCLAIMER

Except as otherwise expressly required by applicable law, the Company makes no representations, warranties, conditions, or other terms (whether express or implied) in relation to the provision of the Website or any content on the Website, including without limitation as to completeness, security, reliability, suitability, accuracy, availability, or currency of the Website or any content on the Website, that the Website or any content on the Website will be free from bugs, errors, or omission, or as to the satisfactory quality or fitness of the Website or any content on the Website for a particular purpose. The Company assumes no obligation to update the Website or any content on the Website. The Website or any content on the Website may be changed without notice to You.

To the maximum extent permitted by applicable law, the Company excludes all liability (whether arising in contract, tort, breach of statutory duty, or otherwise), which the Company may otherwise have to You as a result of any error or inaccuracies in the Website or any content on the Website, the unavailability of the Website for any reason, or any representation or state-ment made on or through the Website or any content on the Website.

In providing links to third-party sites, the Company is in no way acting as a publisher or disseminator of any material contained on those sites and does not and does not seek to monitor or control such sites.

A link to a third-party site does not mean and should not be construed to mean that the Company is affiliated or associated with such third-party in any way. The Company does not recommend or endorse any material found on such third-party sites. The mention of another party or its product or service on the Website or in any content on the Website is not and should not be construed as an endorsement of that party or its product or service.
